Q: why is asp.net dynamic web app.html file not showing/loading on localhost I have a dynamic web application hosted on iis asp.net, that shows a webpage like this, which is a.html file: When I am running the application from VS2013 on my local machine I can see and navigate to the page But when I am testing it by accessing it from browser, neither it is showing as its not loading, nor is showing any errors in browser console. Any clue why it is not loading? A: Try to add the 'www' prefix in your url: Waze: Realtime Map App Helps you Get to the Supermarket in a Car - applecrazy e79caf774b
